15. There is agitation on the floor of the Legislature and also in the Press that in Hindustan Aircraft Factory, Indian Telephone Industries and other Government of India concerns, Mysoreans are not being given employment in sufficient number. This has become a matter of policy for being explained on the floor of the Legislature. The Development Secretary who is now a Member of the Staff Selection Committee of the Indian Telephone Industries Ltd., cannot directly answer such questions or give explanation to such questions. It would be more appropriate to nominate a Member of the Legislature. Shri.N. Huchmasti Gowda is an M.L.A. and Government Chief Whip. It would be appropriate to nominate him. Orders may therefore be issued immediately nominating Shri N. Huchmasti Gowda as a Member on the Staff Selection Committee of the Indian Telephone Industries Ltd., B'lore
